Target identification and validation in drug

The major reason for the elevated costs of drug development in the pharmaceutical industry is the high attrition rate. In Target Identification and

Chemical biology for target identification and

Description. A themed issue, guest edited by Dr Lyn H. Jones and Professor Nathanael S. Gray focussing on chemical biology for target identification and validation.

Target validation : drug discovery process :

Validation is a crucial step in the drug-discovery process and has been proposed as the major reason for later failure of drug discovery projects.
